

Standalone Product Reservation

MTE gives you the ability to reserve a product without submitting a Full Mortgage Application (FMA).

Now you are in FMA, you will need to complete all mandatory fields.

When you come to the Processing Options section, you will be presented with three options:

- 'Reserve Product'
- 'Complete FMA'
- 'Request a FKl'

Select 'Reserve Product'

After selecting 'Reserve Product', complete the remaining questions, including the fee payment section to pay the product booking fee.

Then click 'Validate'

Click 'Save' and then 'Close'

The form is then ready to 'Send & Track' to reserve your product.
