Pre-Valuation Enquiry

Complete this form and we'll use the information to carry out a high-level review of the property. Our response won't be a final decision and offers no guarantee fees will be refunded if a full valuation later reveals the property to be unsuitable. But we could save you time by not submitting a case we already know is outside of criteria. Email your form along with any attachments to PreValuationQueries@nationwide.co.uk and we'll get back to you within two working days.
