

Packaging support

Helping you receive a quicker offer

On average, 1 in 2* applications received are delayed due to packaging issues.

Here are some points to remember when submitting proofs to us so your case can be processed quickly. We're able to accept scanned documents for proofs, but did you know there are a range of **free scanning apps**, such as Adobe Scan[®] that can save you time and improve the quality of your case packaging? If you have lots of individual pages, you can collate them into one document or if your client sends you payslips and bank statements as one document, it will allow you to scan them separately.

Please note: sending **proofs we haven't requested** can delay your application.

Bank statements must <ul style="list-style-type: none">• Contain all pages, including cover pages for postal statements.• Be full months for the period requested.• Show the full account number and sort code.• Show the applicant's address, full name (or initials and surname) and match the application.• Online statements don't need the full address displayed.
