+Products where the cost of a standard valuation is covered by Nationwide.

**‡**Products where the cost of the standard legal fees are covered by Nationwide (using a Nationwide Conveyancer) and where the cost of a standard valuation is covered by Nationwide.

Nationwide will pay the legal fees in connection with a straight-forward remortgage of registered land. However, your client will need to pay all charges or fees relating to any non-standard work that a conveyancer carries out.

If the customer decides not to use the included legal service after reserving their product they must reserve a different product.

#### **Key terms**

Overall cost refers to overall cost for comparison

At the end of the deal period all fixed and tracker rate mortgages will revert back to our fully flexible Standard Mortgage Rate (SMR) mortgage - currently 3.99% (variable). The SMR has no upper limit or cap.

Fixed rates and tracker rates are limited offers and can be withdrawn at any time. The actual rate available will depend upon your client's circumstances.

#### **Borrowing Limits**

Borrowing limits apply, including:

Maximum loan size refers to the aggregate of all loans. Subject to criteria.

### **Tracker Rates**

Tracker mortgages are linked to the Bank of England Base Rate (BBR).

If the Bank of England Base rate is 0.00% or less during the tracker period, the rate your client pays will be 0.00% **plus** the agreed set percentage above the Bank of England base rate. This means that the rate your client pays will never go below 0.00% plus the additional percentage rate of their tracker mortgage. This is known as the tracker floor.

## **Switch and Fix**

All of our tracker products offer a Switch and Fix option - the ability to switch to one of our available fixed rate products from our Switch and Fix range at any time without paying an early repayment charge. The only fee payable is the product fee on the fixed rate product (if applicable). Conditions apply.

## **Product Fees**

Product fees (non-refundable at completion) can be paid on application or can be added to the loan. If the fee is added to the loan, interest will be charged on it during the term of the mortgage.

#### **Booking Fees**

A non-refundable booking fee applies when reserving all products (including those without a product fee). This fee can not be added to the loan, and must be paid at reservation. Applications received without a booking fee will be returned or cancelled and no product will be reserved.

Please check the product information for details of the booking fee applicable to each product.

## **Additional Borrowing**

Please note that subsequent additional borrowing applications cannot be accepted if less than 6 months have passed since the date of completion of the main loan.
